CHILDREN'S STATE HEALTH INSURANCE PROGRAMS

SERVICES: Children's State/Local Health Insurance Programs

"HUSKY A/HUSKY B: SCHIP Program"
Connecticut children's health insurance plan provides managed care health insurance, including medical, dental, vision, and behavioral health care for children ages 0 through 18. Also, parents or caretaker relatives who have a child/children on HUSKY A and whose income is at or below 150% of the Federal Poverty Level are eligible for health coverage under HUSKY A. *Connecticut Behavioral Health Partnership (CT BHP) manages referrals to behavioral health treatment providers for children enrolled in HUSKY A and B, and for parents/guardians enrolled in HUSKY A. *Children with household income at or below 185% of the Federal Poverty Level (FPL) qualify for HUSKY Part A and pay nothing for health care services. *Children in households with income between 186-235% of FPL qualify for HUSKY B-Tier 1 and pay no premium and some co-pays for health care. *Children with household income between 236-300% of FPL qualify for HUSKY B-Tier 2 and pay \$30/month for one child with a maximum premium of \$50/month for two or more children, as well as some co-pays. *Children in households with income above 300% FPL qualify for HUSKY B-Tier 3 and pay full cost of premium plus co-pays. HUSKY A pays for all physical or behavioral health care needs considered medically necessary. HUSKY B-Tiers 1 and 2 provides, under the HUSKY Plus program, supplemental coverage for intensive physical or behavioral health care needs. There is no asset restriction for eligibility. The HUSKY program is administered by the Conn. Dept. of Social Services.
